This is going to be a short entry in my diary as I don't have
the strength
>to write too much.

>
I was at mom's house, visiting and she sprung death on me.
Rather, she said
>maybe it would be good if I got a donor card so if I when I died, my
organs
could be put to good use.
>

>It took everything in me my to hit her, my own mother.

>
She was being so morbid!
>

>I just said, simply, "I can't do that mom, my heart already belongs
to
another," and I walked out.
>

>It was true; it did; Angel.

>
Buffy
